enjoy every comfort in a friendly ambience. With the pleasure in "living" with its exciting and active sides, the necessary time for "thinking" in our comfortable conference rooms and all the ingredients for "feeling good" in our luxurious wellness area.

 The culinary experience is extremely important for us. So important that our establishment boasts two first-class restaurants. One will serve you selected delicacies of the local Schleswig-Holstein cuisine, and the other offers a menu of exclusive specialities, prepared with refinement.

"Speisekammer" Restaurant

To experience the true charm of Schleswig-Holstein it is essential to savour the delights of the region's cuisine. The tradition-conscious gastronomy between the North Sea and the Baltic conceals treasures which everyone will enjoy.

In our cosy "Speisekammer" Restaurant we will acquaint you with really tasty Northern-German classics such as Sauerfleisch and fried potatoes and pickled eel from local lakes. The use of absolutely fresh, regional ingredients is central to our culinary approach. The many seafood meals of freshly caught produce also deserve special attention.

Our excellent staff are always at your service

"Lorbeer" Restaurant

Love of detail – true to this motto the team in the "Lorbeer" Restaurant celebrates its culinary philosophy: Fresh ingredients, gently prepared and composed to reveal the finest nuances, guarantee a taste experience which impresses even the most demanding gourmets.

The focus is on meals with a slightly Mediterranean character, which reach perfection under the greatest care and attention of first-class, experienced chefs.

If you would like to experience all the delights of the exquisite cuisine served in the "Lorbeer" Restaurant, we recommend you book one of our culinary events or put your name down for a 'bon viveur' weekend. We will also give you the opportunity to learn great cookery tips under the personal direction of the maitre de cuisine.
